

Dear participant,

As a participant in the 4TH International Congress on Interdisciplinary Behavior and Social Sciences 2015 (ICIBSOS 2015), Kazan Federal University, Russia, 22–23 October 2015 & Jakarta, Indonesia, 7–8 November 2015, you are now receiving free access to the CRCnetBASE e-book version of 'Social Sciences and Interdisciplinary Behavior', provided via a so-called token (user name/password). All that is required of you is that you set up a free, individual CRCnetBASE account first, and then activate the token.

Please follow the instructions below.

1. Register an account at [crcnetbase.com](https://www.crcnetbase.com/action/registration) or: <https://www.crcnetbase.com/action/registration>.

The screenshot shows the CRCnetBASE registration page. At the top, there is a navigation bar with links for Home, Browse Content, Advanced Search, About CRCnetBASE, Subject Collections, How to Subscribe, Librarian Resources, News & Events, and Free Trial. A search bar is located on the right side of the header. The main content area is divided into three columns. The left column is titled 'Register' and contains several input fields: First Name, Last Name, Email Address, Email Address Confirmation, Password, and Password Confirmation. Below these fields is a checkbox for 'Send me information about updates and new products and services.' and a section for entering a Promo Code. The middle column is titled 'Benefits of Registration' and lists three benefits: 'Save and Manage Searches', 'Add chapters and book content to personal bookshelf', and 'Purchase single chapters'. The right column is titled 'Log In' and contains input fields for Email Address and Password, a 'Remember me on this computer.' checkbox, a 'Forgot password?' link, and a 'Log In' button. Below the 'Log In' section is an 'Institutional Login' section with links for 'Shibboleth' and 'Athens'. At the bottom of the page, there is a footer with links for 'Terms and Conditions', 'Privacy Policy', 'Help', 'Site Map', and 'Contact Us', along with the 'CRC Press' logo and 'Resource Center' link. Copyright information for 2013 is also present.

2. Once you have registered, log in to [crcnetbase.com](https://www.crcnetbase.com) using the right-hand side of the page.

3. Now copy the activation URL into your browser bar, so that the token will activate the license. The activation URL is: http://www.crcnetbase.com/token/Lumban_K26611/default+domain/Lumban

4. Now navigate to your licensed content by going directly to the book TOC page: <http://www.crcnetbase.com/doi/book/10.1201/9781315375182>.

5. You can also view the content you have access to by clicking on the Access tab in the 'My Account' area.

Please contact us at lukas.goosen@taylorandfrancis.com if any problems occur during this process, or if you have any questions. A few weeks after the conference you will receive a short questionnaire to evaluate your experiences with access to the 'Social Sciences and Interdisciplinary Behavior' proceedings via CRCnetBASE.

We hope you will enjoy and benefit from your access to 'Social Sciences and Interdisciplinary Behavior' via CRCnetBASE, the sophisticated e-book platform from CRC Press, and look forward to receiving any feedback you may have.

Kind regards,

Lukas Goosen
CRC Press / Balkema Production Manager
